Motorola Solutions is proud to announce the L5Q License Plate Recognition Camera System. This quick-deploy LPR system is perfect for locations like residential communities or business entrances, regardless of the location's accessibility to power or data connections.

For a limited time, receive $100 off each camera system in your first order.

You now have the ability to protect your communities with customizable hot lists, real-time alerts and industry-leading data analytics with an easily deployed system that includes:

- Flexible Power Options (Solar or AC)
- Extremely Simple Installation Process
- Built-In Cellular Communications
- Configurable Data Retention
- Customer-Managed Data Sharing and Access

Simple installation for anyone to implement. Designed for deployment in most locations. Priced to be affordable for any department or community. LPR is now within reach like never before.
